**A Friendly Guide to the Resurrection of Jesus**  
R \$24.95 - S \$21.21 - 9781925073171

Christians take it for granted that Jesus rose from the dead. Without this belief, there would be no such thing as Christianity as we know it. How was this belief born? Once it was alive and central to the lives of the earliest Christians, how did they pass on their belief to following generations? This *Friendly Guide*, by **Francis J. Moloney**, traces the earliest confessions of faith in the Risen Jesus, from the first moments of the life of the Church, to the stories from Paul, Mark, Matthew, Luke and John. These inspired writings convey not only what happened, but also what it meant to the earliest Christians, and what it continues to mean today.

Features original art by Australian artist Shane Conroy.

## Friendly Guides

Ideal introductions to theology and the Christian faith, these *Friendly Guides* are perfect for parishioners, parish study groups, teachers, students and parish and school communities.
