Description:

Witty, wryly honest, and always original, *My Life with the Saints* is James Martin's story of how his life has been shaped by some surprising friends—the saints of the Catholic Church. Filled with fascinating truths, Martin's funny, vibrant, and stirring stories invite readers to discover how saints guide us throughout our earthly journeys and how they help each of us find holiness in our own lives.

Featuring a brand new chapter from Martin, this tenth-anniversary edition of the bestselling memoir brings readers up to date with his life over the last ten years. In that time, he has been a *New York Times* best-selling author, official chaplain of the "Colbert Report," and a welcome presence in the media whenever there's a breaking Catholic story. But he has always remained recognizably himself. John L. Allen, Jr., the acclaimed Catholic journalist, contributes a foreword that shows how Martin has become one of the wisest and most insightful voices of this era.
