## SEPTEMBER BULLETIN

### MJR NIGHT

Our Lady of Mercy at Deloraine Tasmania held their first MJR night, where students from Grade 6 presented movies they had made about various MJR topics to the school community. Students from all grades turned up, plus a great parent attendance (see photo below). The messages were so powerful and so well received. The messages included:

- i) Billy carts & Go carts
- ii) Being a giver Not a taker
- iii) Anger management
- iv) Happiness comes from doing the right thing, plus much more!

Congrats to Di Murray and the team at Deloraine.

### MATT BEVILACQUA CALLS ON MJR TO WIN WORLD CHAMPIONSHIP

Many people were so impressed with Matt when he was interviewed at the National 2017 MJR Conference.

A quick update: Matt just won his 3rd World Paddleboard Championship. When paddling around Hawaii, he was 23 minutes in front until he hit the outgoing tide. Then, with the other competitors quickly closing the gap, he was hit by cramp. However, he demonstrated the two qualities he spoke about at the conference – a) Mental Toughness b) B.I.Y. (Believe in Yourself) and went on to win his 3rd championship in world record time!

Congrats Matt from the MJR team.

## PUPPETS AT ST JOSEPH'S WITH NATASHA BROTHERTON

Natasha Brotherton was so inspired after the MJR Conference, that she returned to her school and started a new broadcasting session with Kevin [the puppet] and herself discussing the Spirit of Jesus in their school and where they continually see it in action. What a super idea Natasha – cleverly using Kevin to capture the attention of the students. If you wish to see her in action, a movie of some of her sessions will be on the [makejesusreal.com.au](http://makejesusreal.com.au) website soon.

## WHEN PRESENTING MJR / SPIRIT OF JESUS TO STAFF OR COMMUNITY

A wonderful slide presentation on MJR was presented to staff (and could also be used for parents) by Karen Freebody at Holy Family School in Lismore. She explains the many aspects of MJR and The Spirit of Jesus, that will help the MJR message grow in your school communities. She is more than happy for you to use her slideshow.

Don't forget to view the last song: 'Do Something' – it is inspiring!
