More than a workbook, MJR has a journal section with space to record students' experiences, two pages of colourful stickers, interesting cartoon style illustrations and loads of fun activities that are sure to engage students of any age.

MJR is a ready-made values education resource developed for Year 5 and 6 that inspires students to have a positive attitude to life by living Jesus' message daily.

Some of the key 50 attitudes and values explored in MJR are:

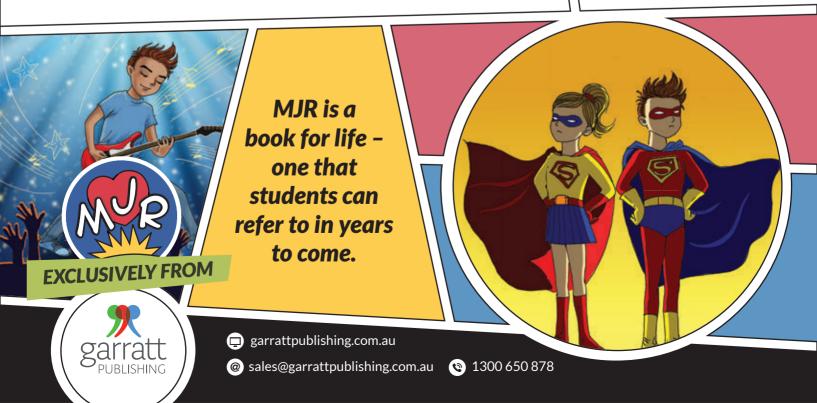

- Self-discipline
- Good decision making
- Friendship
- Positive behaviours
- Resilience
- Being a team player

Students will enjoy using the fun mnemonic phrases created by MJR author, Peter Mitchell, which will help them in applying spiritual values into their everyday situations.

An essential classroom resource, MJR may be used for five to ten minute insights or as complete lessons focusing on core principles. "I am impressed with the wide influence of Make Jesus Real in Tasmanian Catholic Schools and the high regard with which it is held by students and teachers alike I commend MJR to any diocese seeking a faith-focused values education program."
