The birth of Jesus is one of the best-known stories in the Gospels, and yet often adults do not think about or read the text as adults. They carry with them childhood memories that may be inaccurate, according to the text, and miss the deep theological purpose of these two narratives. If we only read the "surface" story of the nativity, we fail to understand the rich introductions to the person and ministry of the adult Jesus. Let **Mary Coloe** take you beneath the surface to give you a deeper appreciation of *The Birth of Jesus*.

PREP – GRADE 2

NEW FOR 2018

My Friend Jesus

RRP \$19.95 - Sophia \$16.96 - 9781925073416

Make Jesus Real (MJR) is centred on the belief that we are the image of Jesus to all those around us. We are his representatives and our actions should reflect his values.

This book, *My Friend Jesus*, is a pastoral resource aimed at early readers from Prep to Grade 2 as an introduction to the *Make Jesus Real* series and its philosophy/MJR way of life.

MJR can be incorporated into our everyday life at our schools through the use of basic manners, a positive attitude, showing tolerance towards others, giving time for reflection and using encouraging language to highlight the behaviours, values and attitudes that we want to see in our students.

The idea of bringing Jesus from 2,000 years ago into the here and now of today is very relevant. Young children need to understand these concepts in a simple way and *My Friend Jesus* does that in a very real manner, allowing the children to relate to the message that it portrays.

Topics include:

- » MJR values
- » scripture
- » prayer
- » activity sheets
- » section for drawing and writing
