Contents

Since the General Synod Standing Committee established Broughton Publishing, the enriching contribution it has made to the Australian Church has been, and continues to be, significant.

This catalogue outlines the publications that Broughton currently offers. It includes best sellers such as *Your Child's Baptism* and the *Gift Prayer Book*. The 'Gift Prayer Book' was such a success it has been reprinted.

Also available is a comprehensive range of parish resources including the new Baptism Certificate.

It is my pleasure to commend this catalogue to you.

Web of Meaning: an introduction to the origins of Christian faith

DR BRUCE KAYE

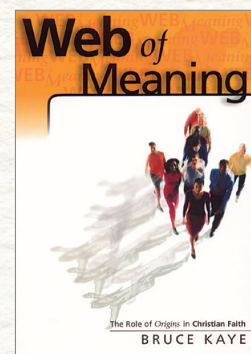

In this book Dr Bruce Kaye, a former General Secretary of the Anglican Church of Australia, searches for the origins of Christianity. *Web of Meaning*

surveys the history of Old Testament Israel, the life of Jesus and the early Church. The development of the Roman Catholic Church, Presbyterianism and Anglicanism viewed as traditions, and Aquinas, Calvin and Hooker as their key exponents. Bruce Kaye shows that an understanding of tradition is essential for informed movement in the public square of our modern world.

Recommended as an introductory theology text and for those grappling with meaning, diversity and the modern church.
