

MJR Bulletin

ARPIL 2022

Well, what a term!

Many have suggested one of the most difficult terms ever – due to Covid restrictions, lockdowns, and the lack of fluency in classrooms and schools. Students have had huge difficulties adjusting to having different teachers and many of them are suffering in regard to their mental health and well-being.

But what about YOU the teachers and teaching staff? Who is looking after your well-being? After constantly hearing from staff how tired they were, how anxious their students (and parents) were, and how they were looking forward to a break, I decided to write a poem to show how appreciated the staff at our schools are. Then I animated it!

Click [here](#) to download the poem. To view the animation, click [here](#).

Feel free to share it to other staff at schools because we really are the only ones who know that the past two years have been a mongrel. But we have survived, and will return because we love to bring out the best in those in our care.

And with that in mind, the MJR Team would like to wish you all a restful Easter, and remember the reason for the season – JESUS CHRIST! 🥰

Marty Ogle
