## OK – WITH A SMILE

I have had numerous requests about this lesson I integrate into my MJR Grade 6 sessions. However, **OK – with a smile** needs to be done at an even earlier age.

It is the concept of stopping the habit of ‘back chatting/talking back’ at home and/or at school.

Many parents/guardians say this is their major problem at home when they ask for help from their children, or ask them to go to bed etc.

This negative habit has to be and can be changed by reinforcing the concept of saying **OK – with a smile**.

Click here for lesson ideas and make sure you share these ideas with parents/guardians through your newsletters, SeeSaw app or parent/guardian teacher sessions.

# MJR CAMPS

So many schools are now taking the positive concepts and messages from MJR and using them on camps/Canberra trips.

Recently, I have taken 'Leadership' sessions at St Patrick's Latrobe and 'Contagious Attitudes/Virtues' mornings with St Thomas More's Catholic Primary School.

I placed a number of virtues hidden around the camp and sent the students on a scavenger hunt looking to find as many as possible. We then discussed these attributes and how they can and should be used in their schools.

Here are photos from St Thomas More's Grade 6 camp where students and staff attempted 'The Walk of Trust' – what an amazing backdrop to enjoy and share with their buddies.

This will be demonstrated at the conference – it is so cool to see the encouragement and 'Never Give Up' attitude to complete this.

# DISPLAYS

I am so amazed at the fantastic ideas I see in classrooms sharing the MJR and Spirit of Jesus moments.

Romeo Fabrizio at St Cuthbert's in Tasmania is an MJRer and works throughout his school encouraging classes to spot the Spirit of Jesus moments, then to name them and place them on the wall.

Simple, but effective!

# YOUTUBE LINKS

Some YouTubes for passing the MJR message.

## **Make an Impact – Inspirational Video**

Super, but short message about how we can positively or negatively impact on the lives of those around us.

## **Grateful - A love song to the World**

Thanks Julian Davie at Sacred Heart Launceston for this.  
A beautiful way to begin the day or even a staff/parent/guardian meeting.

## **A Message to Bullies**

A very effective video by Prince Ea about how hurtful or powerful words can be.

Hope to catch many of you at the conference.

Go on – ask your principal about attending this life/classroom changing conference and take advantage of the early bird special!
