

MJR ALIVE OUT WEST....

Embedding MJR across the Diocese through empowerment of individuals

- From early on, <u>all staff</u> were provided with professional learning about MJR from Mitch across our 3 cluster areas - Forbes, Cobar & Hay
- Whole Diocesan and whole school approach....to achieve this we needed to provide support

MJR Displays and Banners

Banners are displayed around our schools to promote discussion and thinking on a daily basis, supporting our in class and playground use of MJR.

The banners are rotated around the school regularly to continue to create awareness within the school of the principles of MJR.
