

Making Jesus Real at

Sacred Heart

Catholic Primary School

Launceston

• Why we choose to have MJR at Sacred Heart

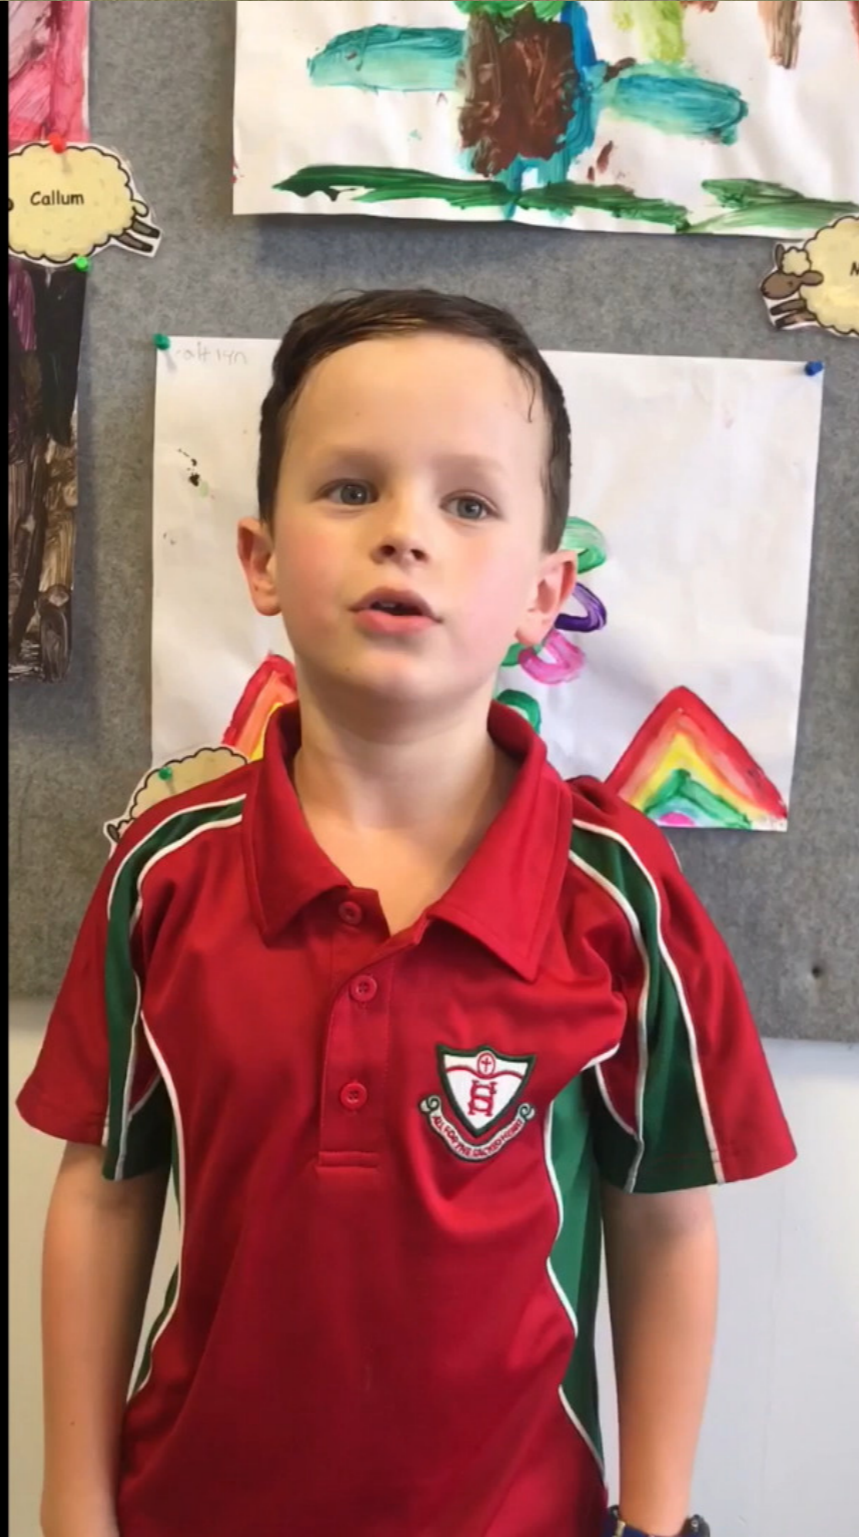

- Relationship with Jesus in 2019. We are Jesus' disciples today.
- MJR is not a program at Sacred Heart but a way of life - Christ's way.
- Catchy/ simple language, which connects with both children and adults.
- Helping to develop happy, well rounded, resilient children who recognise the Goodness in themselves and in others.
- Living out the Gospel values.

Parents and Staff Members:

1. For the Sacred Heart school community to continue to develop their understanding, live out and recognise, the MJR values.
2. For the Sacred Heart school community to continue to use the language of MJR.
3. To continue practicing W.E.S.T (Welcoming, Encouraging, Say Sorry and Thank you) approach in our relationships with others, as all members of our school community are responsible for making Jesus Real.
4. To ensure changing staff, new families and younger grades are equipped and prepared to implement MJR language and values.

Children:

1. Make Jesus Real by being a W.E.S.T person.
2. For the younger children to be exposed to and use MJR language.
3. For the older children to continue to use MJR language, recognise values in themselves and others
4. For our children to appreciate and adopt that a positive attitude is the Key to their life.
5. Get switched on to the "Spirit of Jesus" in their lives.

If we are the face of Jesus

What do others see in us each day,

No just with their eyes, but with their hearts?

Lord Christ

You have no body on earth but ours

No hands but ours

No feet but ours

Ours are the eyes through which your
compassion must look out onto the world.

Preach the Gospel at every opportunity
and if you must, use words.

Show love, receive love.

Show kindness, receive kindness.

Show friendship, receive friendship.
