

We use bread and wine to remember Jesus' Last Supper that he shared with his friends. We remember and give thanks for his special offering of himself for us. We are sent out to live our lives in the way Jesus wants us to live.

In the Catholic community we have special feasts over the year that we can remember and celebrate.

Just as we have nature's seasons of summer, autumn, winter and spring, we have Church seasons.

Advent is a Church season.

We make an Advent wreath to remind us to get ready for Christmas.

We light four candles to represent each week of Advent.

We celebrate Jesus' birthday at Christmas. We sing special Christmas songs or carols that tell us of Jesus' birth.

At the Feast of Epiphany, we remember the Wise Men who came to visit Jesus.
