ABOUT

In the spirit of Nostra Aetate, Garratt Publishing – in conjunction with Yarra Theological Union – invite you to a 4-week webinar series exploring other religious traditions from a Catholic perspective.

As Australian Catholics we increasingly engage others from differing faiths – in our everyday life, in our local communities, and especially in our Catholic schools. These sessions are ideal for Catholic educators as we increasingly welcome people from differing faiths into our school communities. Accreditation for Professional Development hours may be available on completion of the series.

These sessions will also appeal to all Catholics across Australia, offering important understandings to help interfaith engagement and enhance relationships with those of other faith traditions..

2. On the next page click on the + sign to add 1 ticket to your cart.
