

Have your voice heard!

VOICES OF HOPE AND CHALLENGE Conference 2019

November 15–17

YARRA THEOLOGICAL UNION

'What do you think God is asking of us in Australia?'

Join with others as we, the 'People of God', endeavour to ensure that the upcoming Plenary Council is an effective means of renewing and reforming our Church as it faces very challenging times.

With some 17,457 submissions lodged with the Plenary Council throughout the listening and dialogue stage, the **Voices of Hope and Challenge Conference** is designed to better prepare us for the current discernment phase.

Conference speakers and participants will all contribute to discerning the *sensus fidei fidelium* – the sense of faith of the people of God in Australia.

Don't miss this important event and seize the opportunity to contribute to the renewal and reform of the Australian Catholic Church – now, and for the generations to come.
